## Creating a User

The screenshot shows a web browser window with the address bar displaying "benevolent-nasturtium-26b5e7.netlify.app/users". The page title is "Users Management". A red error message at the top states: "Failed to create user: Password must be at least 8 characters with letters and numbers". Below this is a "Create New User" form with fields for Username (JaneDio), Email (janedio@gmail.com), and Password (masked with dots). A "Create User" button is at the bottom of the form. Below the form is a table titled "All Users" with columns: ID, USERNAME, EMAIL, CREATED AT, and ACTIONS. The table contains one row with ID 3, USERNAME Test, EMAIL t@email.com, and CREATED AT 3/2/2026. The ACTIONS column has buttons for View, Edit, and Delete.

The screenshot shows the same "Users Management" page. A green success message at the top states: "User created successfully!". Below this is an "Update User" form with fields for Username (JaneDio2), Email (janedio@gmail.com), and Password (Leave blank to keep current). There are "Update User" and "Cancel" buttons at the bottom of the form. Below the form is the same "All Users" table, but it now contains two rows. The first row is the same as before (ID 3, USERNAME Test, EMAIL t@email.com, CREATED AT 3/2/2026). The second row has ID 4, USERNAME JaneDio, EMAIL janedio@gmail.com, and CREATED AT 3/2/2026. The ACTIONS column for the second row has buttons for View, Edit, and Delete.
